Description

The camBag Single 1 is a compact, and lightweight camera bag that fits a professional camcorder up to 52 cm/ 20.5 inches, including various accessories.

The camBag is made of water-resistant 1000 denier Cordura® nylon with reinforced sides. This creates a solid frame that protects your gear in the most extreme conditions.

To accommodate necessary accessories, this bag has a large pouch with zipper on the front and a mesh pocket with zippers on the back for easy access. Suede padded hand grips and a removable shoulder strap allow you to carry the bag comfortably in any situation.

This camBag also allows you to customize the interior with the 2 removable dividers which are included. A cinch strap keeps your camera safely in place during transport.
