

HB-A1 Hot-Bloc 3-Way Hot-Shoe Adaptor

- Mount On-Board Equipment
- Multiple Hot-Shoe Fittings
- Compatible With All Cameras
- Lightweight Solution
- Power Output Versions Available

The **HB-A1** is part of Hawk-Woods new Hot-Shoe System and the most basic version of the Hot-Bloc adaptors.

The Hot-Bloc allows you to maximise the potential of your cameras hot-shoe mount. Once attached via a simple hot-shoe fitting, it will provide an additional three hot-shoe mounts. This allows the camera operator to mount multiple hardware together. This could be a combination of equipment, including, radio mics, lamps and hard disks.

Other versions of the Hot-Bloc will also allow you to power this mounted equipment. The HB-B1 is compatible with the NP-F battery series, while the HB-C1 is compatible with the BP-U series.
